The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).</p>

Continuation of 3. NOTE: The multiple amendments to claim 1 introduce new issues, such as changing the term "reception means" to "reception tables" and then adding the term "the reception means" to the last line of the claim, and having the crane below the tables in the penultimate line of the claim, which would require further consideration and new 112 rejections.
